MITRE / FLUX NOTES

PATIENT RECORD VISUALIZATION SKETCHES v02

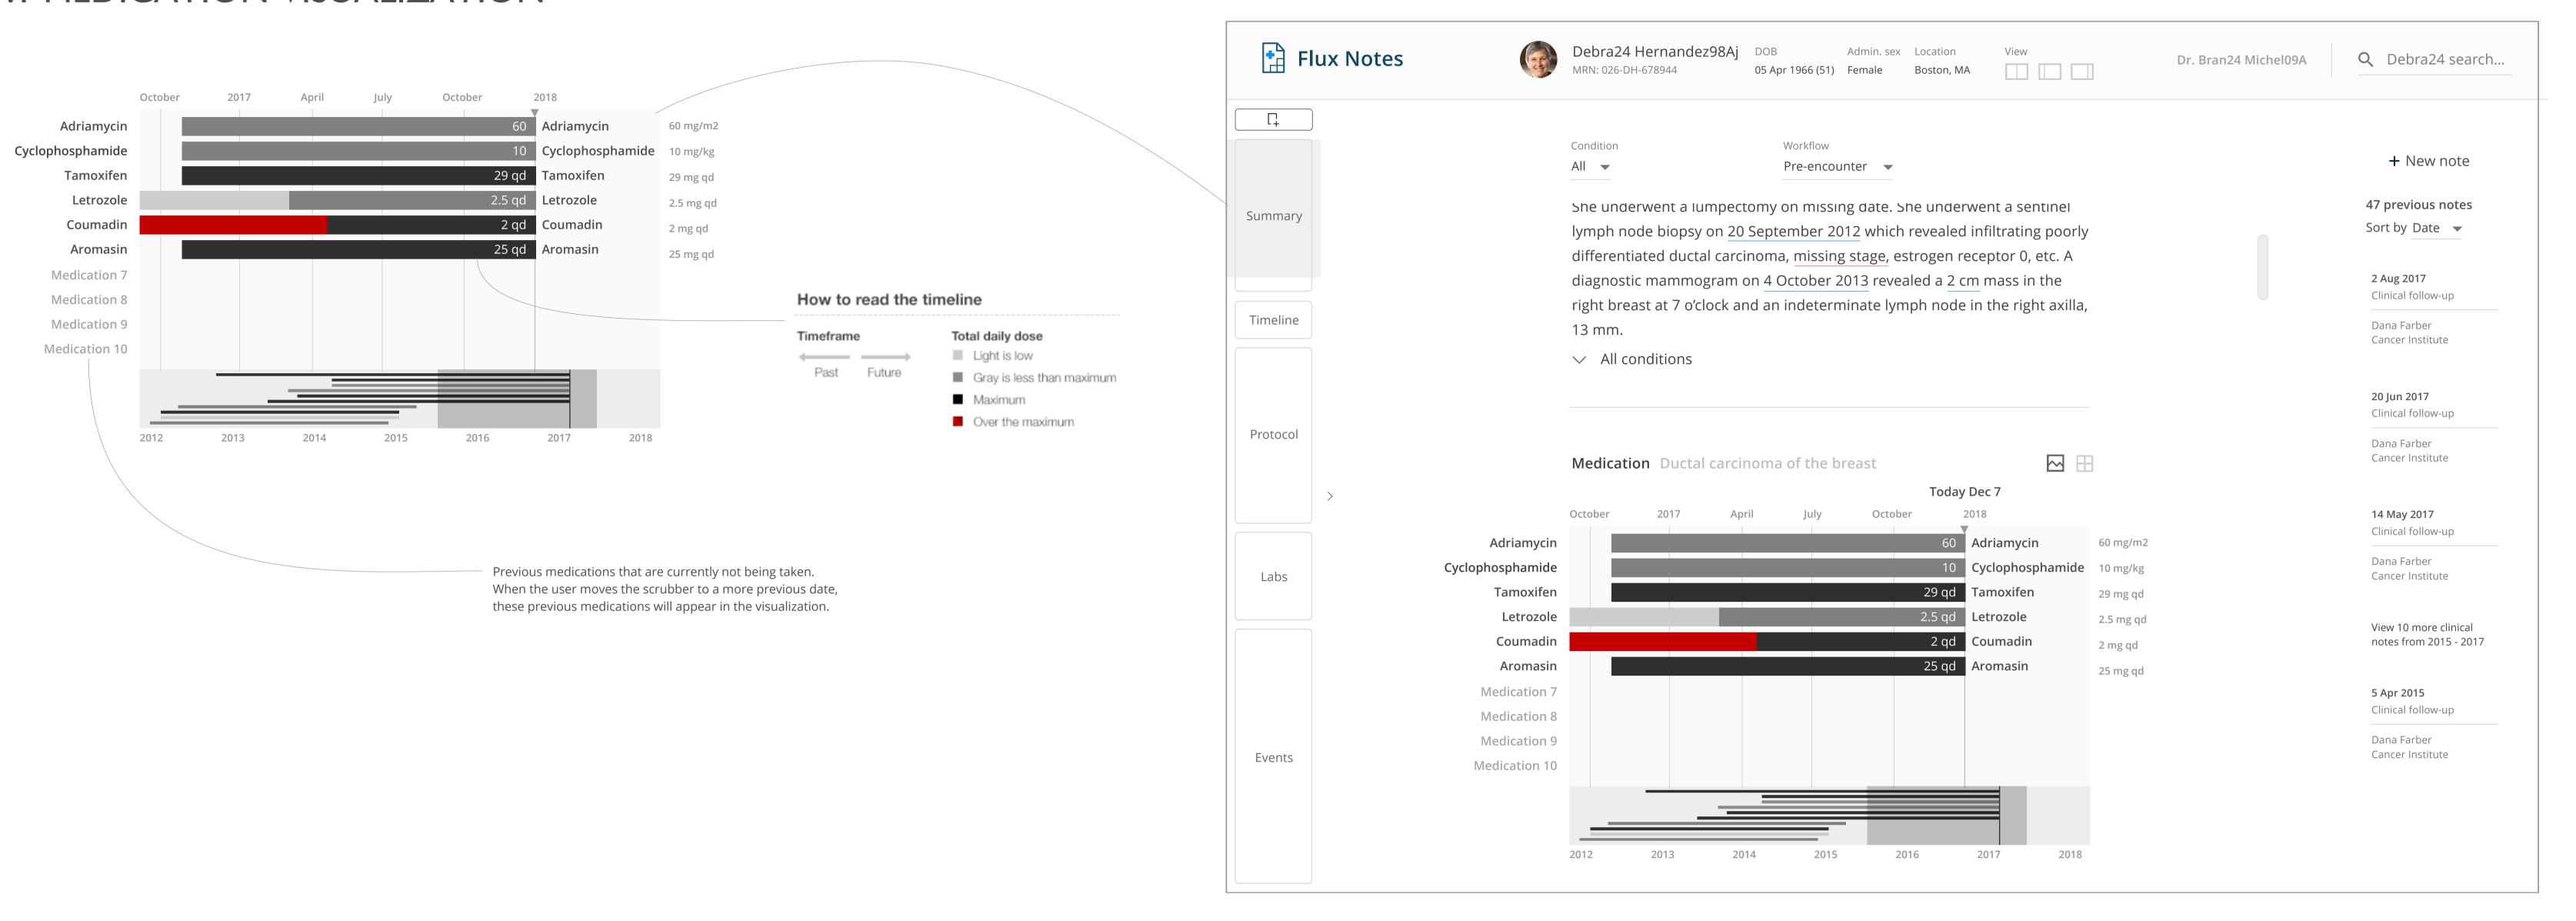

EDWIN CHOI, JUHAN SONIN, 20.DEC.2017

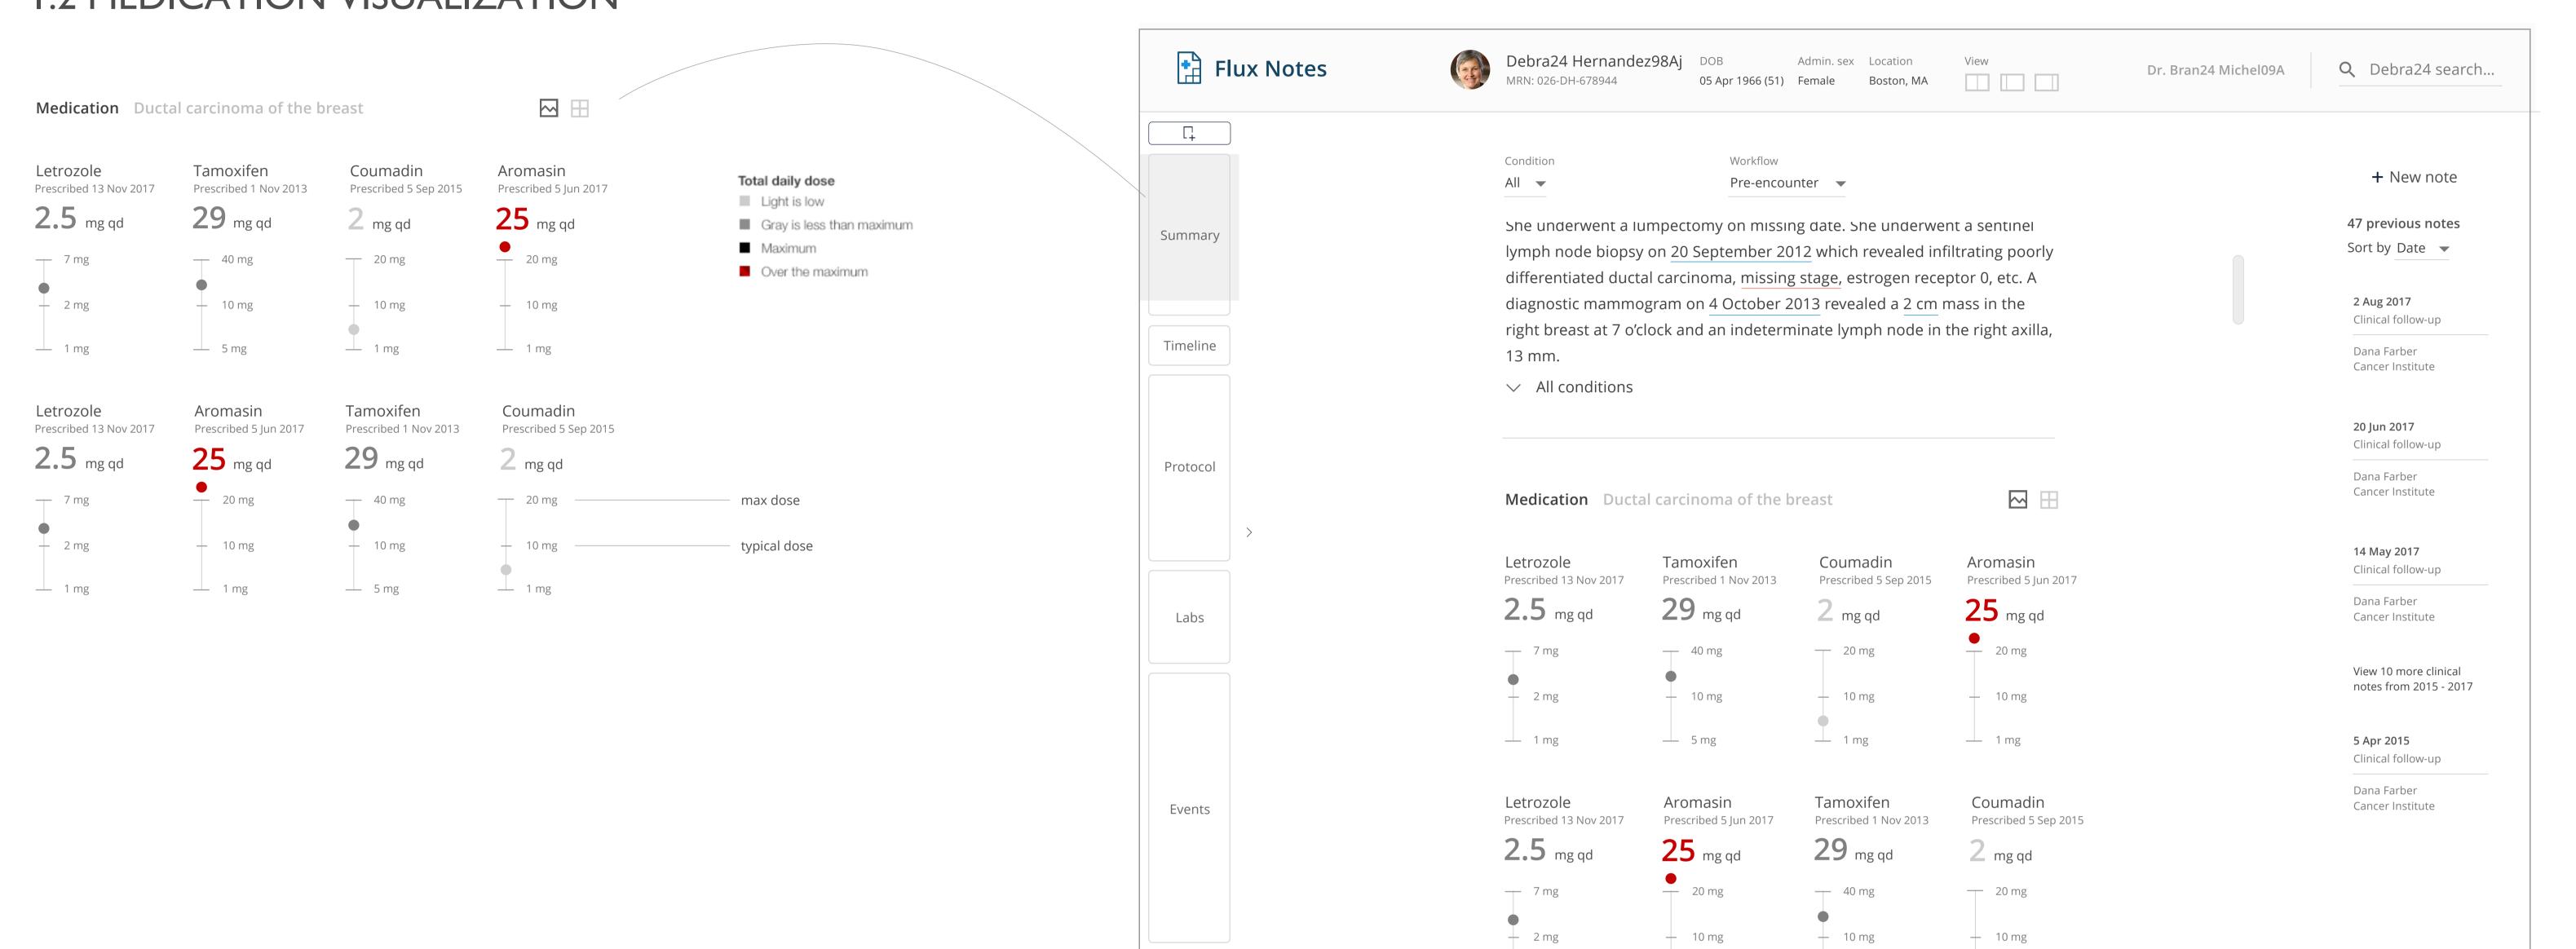

The following concepts are focused on translating the data/information heavy view of Flux Notes into one that is more information dense through use of visualizations. These visualizations should be used as a point of discussion with clinicians to determine which approaches are most appropriate.

MEDICATION VISUALIZATION (inspired by inspiredehrs.org)

I.I MEDICATION VISUALIZATION

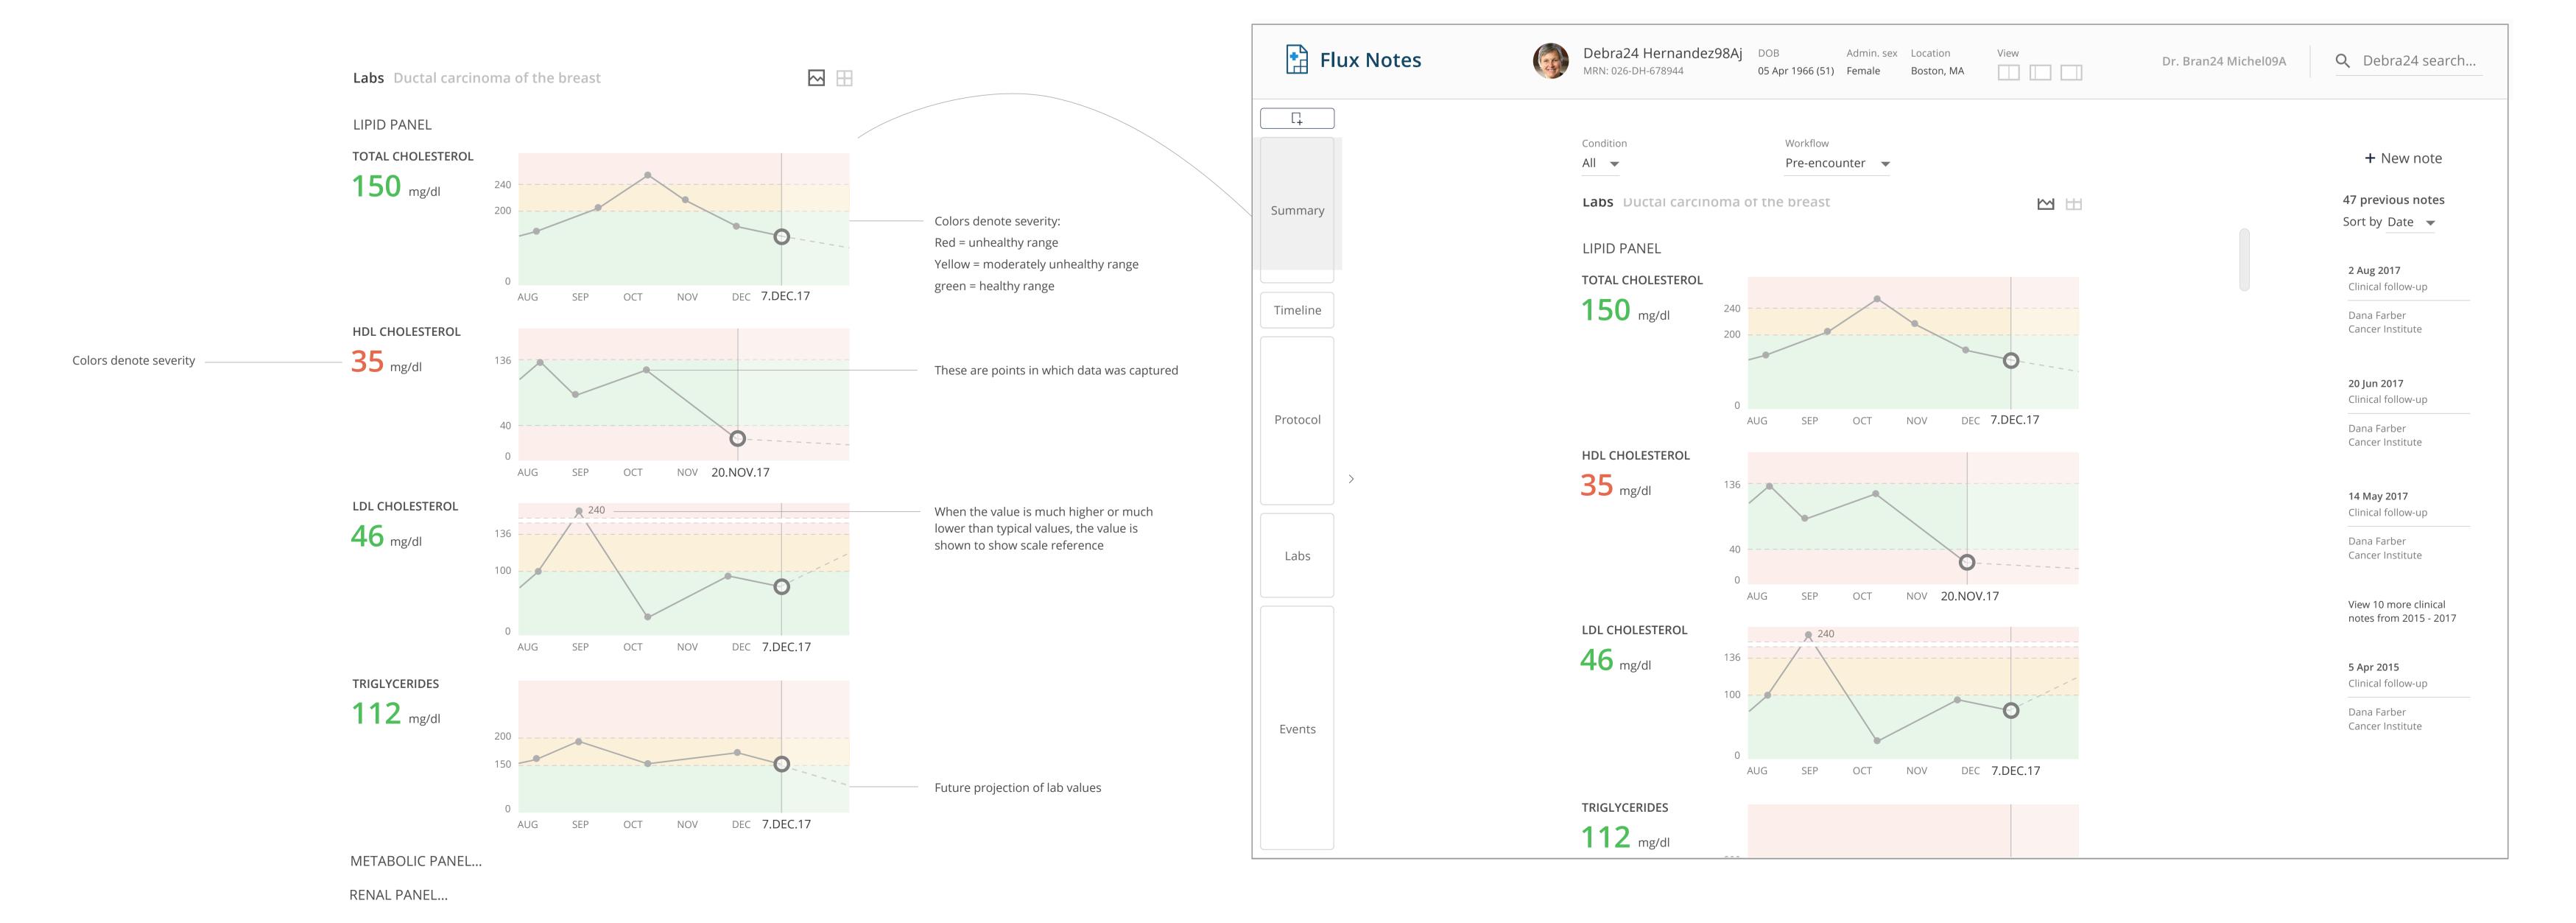

1.2 MEDICATION VISUALIZATION

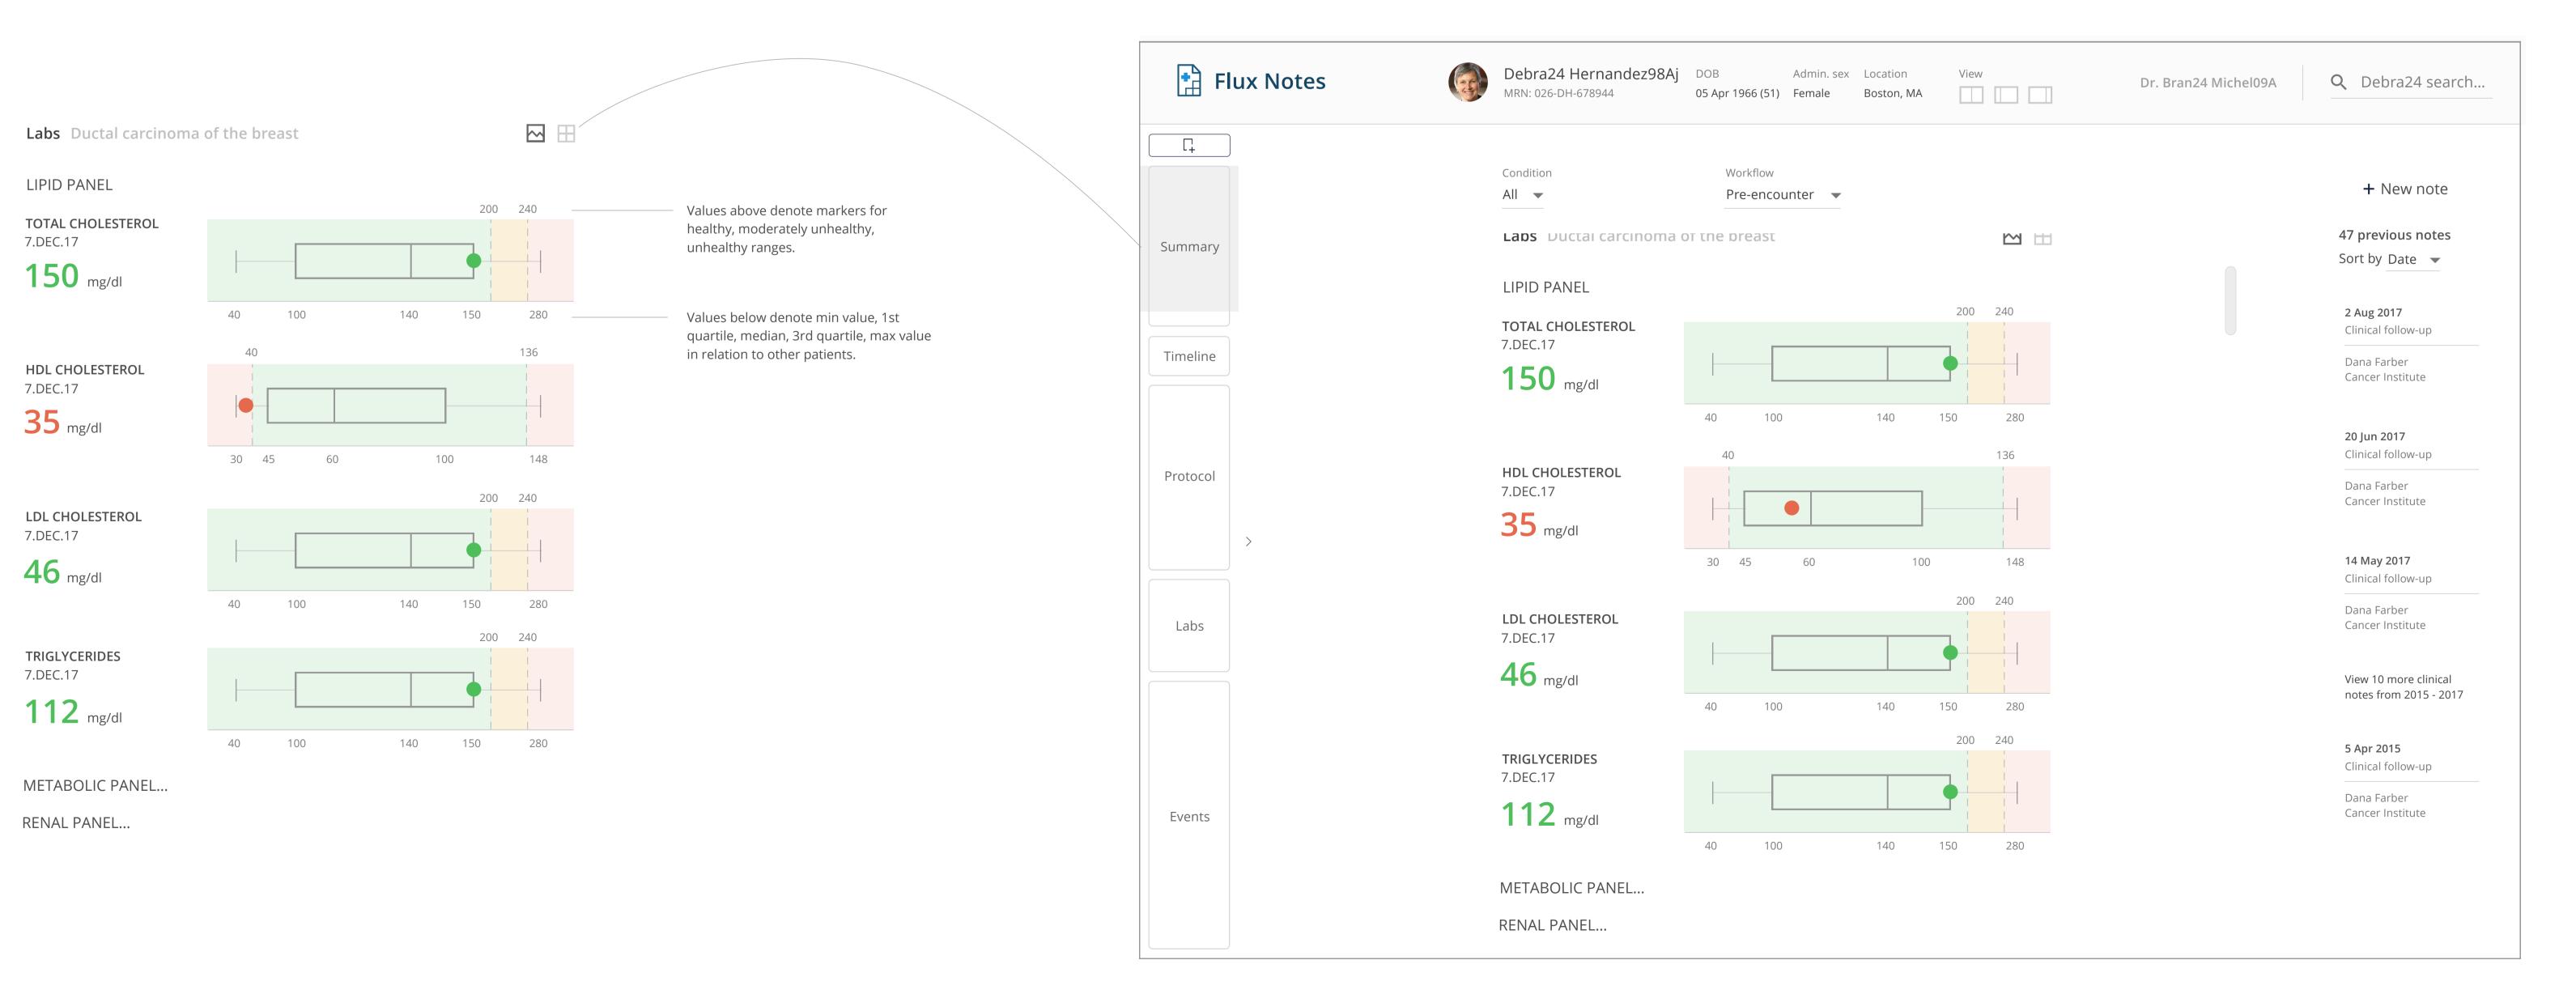

2 LABS VISUALIZATION

I.I LABS VISUALIZATION

I.2 LABS VISUALIZATION

1.3 LABS VISUALIZATION
