Comments

① I wish there was a value set for middle name. Kinda weird there isn't

② Shouldn't this be month, day, year?

③ I can't really figure out how to edit some of this information. What if I want to change my patients email? Or what about if I want to change their telephone number?

④ I can't really figure out how to edit some of this information. What if I want to change my patients email? Or what about if I want to change their telephone number?
